

1Uppro Solar
QUALITY OVER EVERYTHING

1Uppro Solar & Electric

Serving Albuquerque & Surrounding New Mexico Areas

1Uppro Solar & Electric is a licensed, bonded, and insured full-service electrical and solar installation company based in Albuquerque, NM. Led by a second-generation electrician with over 30 years of experience, we specialize in delivering reliable, efficient, and high-quality solar and electrical services across New Mexico.

We're New Mexicans serving New Mexicans. Our deep roots in the region give us unique insight into the needs of our clients and the infrastructure of our communities. Unlike many companies, we perform all work in-house—no subcontractors—ensuring accountability and precision on every job.

Why Choose Us?

- ✓ 30+ Years Licensed Experience
- ✓ In-House Team – No Subcontractors
- ✓ Veteran Leadership with Community Roots
- ✓ Fast Response & Quality Workmanship
- ✓ Capable of Competing ALL Electrical Services Under One Roof
- ✓ Customer-Centered Approach Focused on Satisfaction, Safety & Value

For Federal Agencies

We support the needs of federal, state, and local agencies seeking experienced, trustworthy contractors for:

- Electrical infrastructure and maintenance
- Solar and battery backup installations
- EV charger integration
- Energy efficiency upgrades
- Renewable energy facilities (solar & wind)
